

A pantoum poem

Imagine having **your** birthday cancelled!
No party! No presents! No candles! No cake!
No one to sing HAPPY BIRTHDAY to you!
No wonder Tom will celebrate **his own way!**

No party, no presents, no candles, no cake,
Just a normal day like any other,
No wonder Tom will celebrate his own way,
What could possibly go wrong?

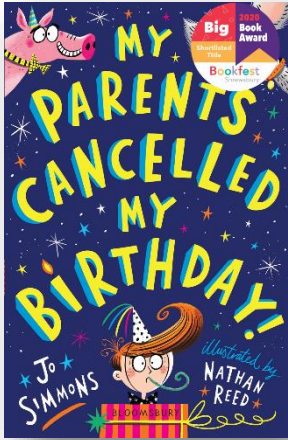

Just a normal day? Like any other?
With a pig-zebra and violent chickens?
What could possibly go wrong
Goes **MEGA-WRONG!** On his Lucky Birthday!

With a pig-zebra and violent chickens,
Tom's plan to play gladiators games
Goes mega-wrong on his Lucky Birthday,
On his command Vesuvius will **erupt!**

Tom's plan? To play gladiators, games,
A volcano cake, bacon sarnies
On his command, Vesuvius will erupt,
The perfect **uncancelled** birthday!

A volcano cake, bacon sarnies,
Jonny, Keith, Meg, Harry the Hulk –
The **perfect** uncancelled birthday?
Oh yeah, a **MAJOR** deal... One to remember...

Jonny, Keith, Meg, Harry the Hulk,
AWESOME mates make birthdays great,
Oh yeah, a major deal! One to remember!
It's about feeling less lonely, smiling more

Awesome! Mates make birthdays great!
No flash presents, no fancy parties,
It's about feeling **less** lonely, smiling **more**,
Make your own fun, do your own thing...

No flash presents? No fancy parties?
No one to sing HAPPY BIRTHDAY to you?
Make your own FUN! Do your own THING!
Imagine!! Having your birthday **cancelled!**
